

## INTEGRATED MANAGEMENT SYSTEM POLICY

### **Our Quality Policy**

To establish the appropriate and correct quality management system with the participation of all members of the JNR MENSUCAT family and to carry it out with the participation of all members, to achieve the highest productivity and quality criteria on a world scale and to continuously examine and continuously improve the system, productivity and quality in the light of contemporary developments, thus; to achieve continuously increasing high customer satisfaction.

### **Our Environmental Policy**

By adopting the principle of Environmental Management, to follow and use technology to minimise risks to protect the environment and natural resources, to fulfil compliance obligations, to ensure recycling, reuse, pollution prevention and proper disposal of wastes harmful to nature.

### **OHS Policy**

To carry out continuous improvement activities in order to eliminate the dangers that will endanger the health and safety of our personnel by keeping the employee participation at the highest level in Occupational Health and Safety and to prevent occupational accidents by minimising the risks.

### **Our Energy Policy**

To establish and execute an energy management system based on continuous improvement of energy performance, environmental and economic sustainability, continuous review and improvement, continuous review and improvement by using available energy resources in the most efficient way, ensuring efficient energy use without compromising comfort, complying with national and international legal regulations and legislations, preferring energy efficient technologies and applications in production and all processes, purchasing energy efficient products, equipment and services, using energy and natural resources efficiently, raising awareness of employees by providing the necessary resources on natural resource consumption and energy efficiency, continuous improvement of energy performance, environmental and economic sustainability.

JNR MENSUCAT undertakes that this policy will be communicated to all employees and will ensure that it is understood.

General Manager
